CalgaryMUN III

WHY CalgaryMUN?

ABOUT CalgaryMUN

If you're looking for an opportunity to make a positive impact on the next generation of leaders, we invite you to consider sponsoring CalgaryMUN. As a young and ambitious Model United Nations conference, we are committed to providing unparalleled opportunities to our delegates while ensuring that no one is prevented from attending due to financial constraints. With your support, we can lower the cost of the conference for delegates that require financial aid, improving the overall delegate experience, and establish a positive association between your brand and the impact that CalgaryMUN has on its participants. By partnering with us, you will be supporting the development of the next generation of leaders in diplomacy and global affairs, making a meaningful contribution to their education and career prospects.

Our conference is dedicated to promoting inclusivity, equity, and diversity in the world of Model UN, and your sponsorship will help us achieve these important goals. By supporting CalgaryMUN, you will be making a difference in the lives of young people and investing in the future of global diplomacy. We invite you to join us on this exciting journey and be a part of something truly special.

ESTABLISH A STRONG BUSINESS PRESENCE

By sponsoring CalgaryMUN, your business will gain exposure to a diverse group of over 250 high school delegates, teachers, and other attendees. Your sponsorship will help sustain the momentum we've built, with CalgaryMUN already boasting over 20,000 impressions through our active social media presence and network. This exposure not only enhances your brand visibility but also aligns it with the values of leadership, innovation, and global citizenship that CalgaryMUN embodies. Our history of reputable guest speakers, Angelo Law and Pat Kelly, and our privilege to have previously partnered with businesses like Hephaes, The Knowledge Society, The Calgary Foundation, and Calgary Philharmonic, further underscores the caliber of our conference and the impact your sponsorship can have on the next generation of leaders.

In addition to building your business's exposure, sponsoring CalgaryMUN provides an opportunity to connect with the innovators, problem solvers, and leaders of tomorrow. Our conference brings together young people from Calgary and beyond, many of whom are already making a positive impact in their communities and are poised to become the next generation of leaders in diplomacy and global affairs. As a sponsor of CalgaryMUN, your business will not only be able to showcase its products and services to potential clients but also demonstrate your commitment to investing in the education and development of young people. Join us in supporting the next generation of leaders and help build a lasting legacy for your business.
